

Wir machen das Tor!

A white and black Novoferm garage door opener is shown in the upper left, with two white remote controls floating below it. A circular badge with the German flag colors and the text "MADE IN GERMANY" is positioned to the right of the opener. The background is a snowy night scene with a dark garage door and a small evergreen tree.A close-up of Santa Claus with a surprised expression, wearing his traditional red suit with white trim and a white beard. He is wearing large, black-rimmed glasses.
